

Kid's Only

Open Water Scuba Class

Now is the time to be thinking of activities for your son, daughter, grandson and/or granddaughter, for this summer. How about scuba diving lessons?

This is the perfect opportunity for your 10 – 17 year old to gain the knowledge and experience needed to become a safe and competent diver. These are “Kids Only” classes taught at a pace which is conducive to their learning style to assure success. The Academic and Confined Water training portions of the Open Water Scuba Diver builds the foundation needed to experience a lifetime of new challenges and experiences.

Included in the Open Water Certification Program

- Your choice of Academic and Confined Water Training dates.
- Student Kit: includes your Open Water Diver Manual, dive tables, logbook pages.
- Open Water DVD set (one per family or group).
- Photos for your certification card.
- Scuba equipment rental, including mask, fins, snorkel, regulator, BCD, wetsuit, tanks and weights for the Confined Training.

Not Included

- Open Water Dives & Certification fee (see back for details)
- Referral Kit
- Sales tax.

Kid's Only Open Water Dives

Open Water Certification Dives

The final component of your training, the Open Water Certification Dives, provides the real world experience of what you have learned in your Academic and Confined Water training. This is your opportunity to show yourself and your instructor your competency as a diver. Open Water Dives "Kids Only" will be offered at Aurora Reservoir, **July 25th & 26th**. If these dates don't work with your schedule, students can attend any of our regularly scheduled Open Water Dive weekends. Ask us for these dates.

Included in the Open Water Certification Program

- Your choice of Open Water certification dives at Aurora Reservoir.
- Tanks and weights for the Open Water Certification dives.

Not Included

- Scuba equipment rental for the Open Water Certification Dives. (\$82.00)
- Park pass fees for Aurora Reservoir. (Currently \$10.00 per day)
- Sales tax.
