

Annual Used Gear Sale

Oct. 1st & 2nd!

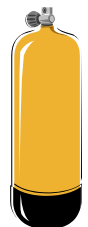

Join us for our 16th Annual Used Gear Sale

- Do you have some used Scuba or Snorkeling equipment that you would like to sell or upgrade to new?
- Are you looking for a great buy on some used and clearance sale gear instead of renting?
- Have you outgrown a perfectly good wetsuit or a piece of gear and don't know what to do with it?

Here's your opportunity to sell or purchase used and clearance merchandise without the hassles, expense, or risks normally involved with doing so. Here's How it works:

1. Bring in the items that you wish to sell between **September 23rd and 30th**. One of our staff will help you determine a fair price.
2. All equipment will be on display for sale to the public the weekend of **October 1st & 2nd**.
3. If your equipment sells, you have two choices; A) purchase any piece of equipment, new or used, and apply 85% of the proceeds from your sale. The store retains 15% consignment fee. Or, B) Take the money and run! The store retains 40% as a consignment fee.
4. Transactions must be completed by October 2nd. Any unsold items must be picked up no later than **October 17th**.

If you are in the market for a deal you won't want to miss this one weekend event!
